LOCAL/STATE BOARD FACILITIES HEARING REPORT**

A Local/State public hearing was held at the Cloverport Board of Education, 214 West Main Street, Cloverport, KY on April 18, 2007, at 5:30 PM CDT. The purpose of the public hearing was to propose a new District Facility Plan developed by the Cloverport Local Planning Committee. The Local Planning Committee (LPC) voted unanimously in favor of the proposed new plan and the Board voted 5-0 to approve the new plan.

There were (8) eight people at the hearing exclusive of the hearing officer. Grover M. Canty, KSBA Facilitator, served as the locally-appointed hearing officer. The crowd consisted primarily of LPC members for the Cloverport Independent School District.

**COMMENTS**

Mrs. Anna Brown called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. It was also noted that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed new District Facility Plan that includes: **Additions to Frederick Fraize High School and Middle School to include administration areas, cafeteria, kitchen, classrooms, science labs, computer lab, music room, and art room; renovations to the elementary classroom wing to include roof, electrical, lights, exterior walls, flooring, painting, ceiling tile, and HVAC replacement. Demolish existing 1890's three-story building, kitchen/cafeteria, shop, and day care building, plus a maintenance building.**

The floor was opened to those who wished to make a statement. Two people chose to speak, Mr. Neal Tindle and Susan Hendricks. Both spoke favorably of the Cloverport District Facilities Plan.

**RECOMMENDATIONS**

It is recommended that the new District Facility Plan developed by the Cloverport Independent Schools Local Planning Committee and adopted by the Cloverport Board of Education be approved as the District Facility Plan for the Cloverport Independent School District.
